

Silvertops

Silvertops began meeting again during the summer. We had our first outdoor meeting at KiaOra gardens, where a group enjoyed the beautiful grounds and cream tea. Generally we meet at 2.00 till 4.00 in the main hall of the Community Centre on the 1st and 3rd Monday of the month. Mark very kindly sets up the tables and chairs and puts them away.

The numbers were very low, but are gradually climbing as people become more confident. Hand sanitizer is available and some still wear masks.

There is a mixture of Church and non Church members, sadly we have lost a few members, but we have several new members. A few of our members have lived in Cullompton all their lives and have been talking about the changes they have seen. I hope this may be of use to The History Group at the Walronds.

We have a selection of games, jigsaws, colouring and cards for people to choose, or just chat and enjoy a cup of tea and biscuit. Wrapped biscuits are very popular!

Brian Clarke is coming to give an illustrated talk at our next meeting on Monday. He is speaking about his work with the Bulgarians, in Bulgaria and Cullompton, all are welcome to join us.

On 6th December, Vik Westaway is bringing willow stars for us to make and decorate, again all are welcome. On 20th the 'Ding Dongs' will be playing Christmas songs and Carols.

We are looking at dates for 2022 as several Mondays are bank holidays when the Centre will be closed. New invitations/cards will be published once the dates are finalised and distributed around the town.
