**9th-11th FEBRUARY**

# GOSPEL

We'll be heading off to North Devon and staying at St. George's House which is a Christian activity centre in North Devon. This will be an opportunity to have lots of fun together and to go deeper with God - there will be surfing and archery as well as other activities. Throughout the weekend there will also be times of worship and teaching, exploring together what it means to do life with God.

Get your form and payment of £70 in before Jan 29th

After this payment of £75 due by 10th Feb

If you would struggle to attend for financial reasons please speak to a member of the youth team - we don't want money to stop anyone from coming!
