

Following yesterday's Government Announcements, St Andrew's Cullompton does come under Tier 3 restrictions. We would like to confirm that, under Government Guidelines, we are able to continue to host Church Services for those who are able to and would like to come along to St Andrew's Church. Please find attached the guidance as provided with the relevant pages in relation to Worship Venues.

<https://www.gov.uk/guidance/tier-3-very-high-alert#weddings-civil-partnerships-religious-services-and-funerals->

We would like to politely remind you that if you are wishing to come along to any of our Church Services, you will need to have previously booked a ticket via our website <https://standrewscullompton.com/events-and-calendar/> or by calling the church office on 01884 33249 before midday on the Friday before the Sunday service. This system allows us to keep a record of all those that attend for the purposes of Track and Trace. It also ensures that everyone coming along can be pre allocated a pew, allowing us to ensure safe distances from each other whilst seated.

Please do:

- remember to wear a **face mask** at all times,
- use **hand sanitiser** on entering and exiting the building and
- respect our **one way system** which is designed to protect all those attending or serving.
- In the interests of keeping all of our volunteer team safe, please do comply to the **2m distance rule** so that we can protect each other and continue to open up our Church for all who wish to come along.
- We must also remind you **not to mingle in groups** inside or outside the church building. This is both in the interests of complying with Government Legislation and also to ensure that, publicly as a Church, we are being seen to respect these laws.

Thank you for respecting this guidance as, by working together, we will ensure that we can keep things running safely whilst providing our services to each other and our community.

You can find all the details of all services and other events taking place on our website on <https://standrewscullompton.com/>

We will continue to live stream all of our services via this link: [YouTube channel](#)

We look forward to keeping in touch with you via the usual channels but if you have any queries or concerns, please do contact us on the details below.

In the meantime, please do keep safe and we will continue to be praying for each other during this difficult and challenging time.

Best Wishes
