

St. Andrew's

-CULLOMPTON-

A letter from the Church Wardens – March 2021

'Let us hold unswervingly to the hope we profess, for he who promised is faithful'. Hebrews 10:23

Dear Church Family

We trust you are all keeping well during what has been a tough winter season for so many. As the sun begins to warm and signs of spring appear, we are encouraged and hopeful that the country may have turned a corner in its struggle against COVID.

As a result, the PCC are delighted to share that services in St Andrew's Church will be resuming shortly:

- **Wednesday 17th March: 11am Wednesday communion/morning prayer service will resume**
- **Sunday 28th March: Sunday services will resume at 9:30am & 11am**

It will be so exciting to livestream and be in church to celebrate Easter and do keep an eye on the service notices, the church website and facebook for more information about events in Holy Week.

As services resume, we will continue to follow the government guidance which means that numbers at services will be limited and Sunday service seats must be booked via the church website. Social distancing, the wearing of masks, the use of hand sanitiser etc will remain in place and at the moment, whilst we can listen to our wonderful sung worship, we cannot join in. At present the church will not be open for private prayer but we will continue to review this.

We also want to take this opportunity to say thank you. Ed and the staff team have worked tirelessly through the last year to keep the church moving forward, embracing new technology and processes to ensure that the church has continued to reach out to out the town which we have the privilege to serve and share the love of Jesus. The Cultural Recovery Fund has been a real blessing in helping us to purchase necessary equipment and resources to livestream and organise the church to meet needs of this season.

We are also so grateful to you, the wonderful church family who have volunteered, supported and encouraged so many during this time, much of it unseen – we thank you - our church simply would not function without you.

As always, we love to hear from you, so please do get in contact via phone or email if we can help or support or answer any queries.

God bless,

Amelia Jerreat, Warden

Jo Bailey, Warden
